

# Adding a Company User to your signsearch account

1

Go to [www.signsearch.com](http://www.signsearch.com) and click on the "my account" button located in top right corner of the page.

2

Sign in by entering your connectID and password and clicking login. If you don't have a connectID and password you can register for one free of charge.

3

Select company users under Account management to edit your users list.

4

Enter all of the required information and click submit.
